

Job Description

SAP started in 1972 as a team of five colleagues with a desire to do something new. Together, they changed enterprise software and reinvented how business was done. Today, we remain true to our roots. That's why we engineer solutions to fuel innovation, foster equality and spread opportunity for our employees and customers across borders and cultures. SAP values the entrepreneurial spirit, fostering creativity and building lasting relationships with our employees. We believe that together we can transform industries, grow economics, lift up societies and sustain our environment.

The Opportunity: Working Student (f/m/d) for SAP HANA Cloud

We are looking for Working Students (f/m/d) who are excited to develop and operate microservices in hyperscaler environments, using cloud-native technologies like Kubernetes and Prometheus. This is your chance to contribute to SAP HANA Cloud, an enterprise-scale, cutting-edge database platform offered as managed cloud service.

As a working student in one of our SAP HANA Cloud service teams, you will work close together with your teammates in a scrum-based development process. You will support the colleagues in working on the product backlog and operating the SAP HANA Cloud service according to the DevOps principles. You will participate in the team meetings like planning, review and daily sync. You will gain experience in developing high quality software using state-of-the-art technologies in an international working environment. As a student your working hours will be flexible with a maximum on 20 hours each week during the semester based on hourly wage, up to 40 hours during the semester break.

Skills & Requirements:

- Student (f/m/d) at a university or a university of applied sciences in the area of computer science or related areas
- Initial experience with Kubernetes, Docker, Prometheus, Git, Jenkins, AWS
- Initial experiences in one or more of the following languages: Python, Golang, Groovy, Java
- Very good language skills in German and English
- Team player, can-do attitude, self-motivated

Success is what you make it. At SAP, we help you make it your own. A career at SAP can open many doors for you. If you're searching for a company that's dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment.
